Secretary-General
NIALL MACDERMOT

Dear Secretary-General,

Thank you for your letter of 22 October.

We share your concern about the arrest and detention of the leaders of the National Salvation Party, and of other political leaders who have not been involved in the acts of violence which precipitated the recent coup.

We have written to the Turkish government to express this concern and to request their early release.

I will let you know when I receive a reply.

Yours sincerely,

Niall MacDermot
